Director's Instruction No. 2/2018

## **Rigorous Examination Requirements**

### **Article 1**

#### **Introductory provisions**

This Director's instruction stipulates the requirements for rigorous examinations in accordance with the provisions of article 5, paragraph 4 and article 4, paragraph 4 of the Regulations of Rigorous Procedure of the Silesian University in Opava, as amended (hereinafter referred to as the "Rigorous Procedure Regulations").

### **Article 2**

#### **Rigorous examinations requirements**

- 1) The oral exam consists of a subject from the field of mathematical analysis or geometry and global analysis at the level of the state final examinations of a master's study programme or study courses of the doctoral study which are content-related to the topic of the rigorous thesis. The subject, as given in the previous sentence, is determined by the Director of the Institute, usually on the basis of a proposal of the chairman of the examination board or the guarantor of the follow-up study programme Mathematics. The subject, as given in the first sentence, is communicated to the candidate no later than the deadline according to article 5, paragraph 5 of the Rigorous Procedure Regulations.
- 2) The rigorous thesis must be published or accepted for publication in a peer-reviewed journal in the Mathematical Reviews database.

### **Article 3**

#### **Temporary and final provisions**

- 1) For the study programmes that are divided into fields of study, the guarantor of the study programme according to article 2, paragraph 1 means the guarantor of the relevant field of study.
- 2) This instruction becomes valid on the day of its publication on the University's intranet.
- 3) This instruction becomes effective on 1 July 2018.
