Information on admission to the doctoral study program Economics and Management accredited in English in full-time and part-time form of study in the academic year 2024/2025

Information shall be submitted in accordance with Regulation No. 343/2002 Coll., on the procedure and conditions of announcement during the admission procedure at universities, as amended.

§ 1 Information on entrance examinations

Doctoral study program Economics and Management

The entrance examination was oral and took place in front of the entrance committee.

When being examined, the candidate demonstrated the expert knowledge of economic theory, mathematical-statistical methods and economics and management in the extent corresponding to the Master's degree curriculum. Part of the entrance examination was professional discussion on the topic of the dissertation based on the propositions that the candidate has stated in his/her application to study. In the language examination the candidate proved her conversational knowledge of English and the knowledge of English terminology in relation to the topic of the thesis. Knowledge in individual areas was evaluated on a scale of 1-5.
