Conditions for admission to the Bachelor's degree study program

The successful completion of the admission procedure. An entrance examination is part of the admission procedure. The entrance examinations will take place in the months of November 2025 to September 2026. Applicants will be informed of the exact dates of the entrance examination after filing an application for study and paying the administrative fee.

All activities and related administrative procedures in the context of the above study degree program will be conducted online in English.

The entrance examination will be held online and in English. The content of the entrance examination involves an English test at B2 level (Upper-Intermediate) and a learning potential test within the scope of secondary school studies in Czechia, i.e. knowledge of:

- Basic economic overview,
- Mathematics and Statistics.

Thematic areas for the individual parts of the entrance examination, recommended study literature and further instructions and information on performing the entrance examination are published on the website of the SU SBA.

- The minimum score limit for the successful completion of the English test is set at 60 points out of the maximum of 100 points.
- The minimum score limit for the successful completion of the learning potential test is set at 60 points out of the maximum of 200 points.

Failing in either part of the entrance exam results in non-admission to study. If a student enrolls for the study degree program in Economics and Management accredited in English, he/she shall not be allowed to transfer to the study degree program accredited in Czech.

Conditions for admission to the follow-up Master's degree study program

The successful completion of the admission procedure. An entrance examination is part of the admission procedure. The entrance examinations will take place in the months of November 2025 to September 2026. Applicants will be informed of the exact dates of the entrance examination after filing an application for study and paying the administrative fee.

All activities and related administrative procedures in the context of the above study degree program will be conducted online in English.

The exam consists of two main parts:

- entrance exam test,
- online interview.

Only applicants who are successful in the online test will receive an invitation for an interview.

The content of the entrance examination test involves an English test at B2 level (Upper-Intermediate) and a learning potential test in the range of the Bachelor's degree study program in the field of Economics, i.e. knowledge of: Microeconomics, Macroeconomics, Mathematics and Statistics.

Thematic areas for the individual parts of the entrance examination, recommended study literature and further instructions and information on performing the entrance examination are published on the website of the SU SBA.
