## INTERNSHIPS (ERASMUS+)

Students can apply an internship at any time during the academic year after they arranged their internship with the target organization. The student must know the basic information about the receiving institution, the supervisor and/or the mentor, the date of the internship, a detailed program of the internship, the financial overview, insurance and the form of recognition of the internship at SU SBA. The application for internships will be active throughout the academic year and students will consult their plans on an ongoing basis **with the International Relations Office coordinator: unuckova@opf.slu.cz.**

Students can choose the destination of their internship in any EU Member State. They can use the website [www.erasmusintern.org](http://www.erasmusintern.org), where the offer of internships within the Erasmus+ program is published. They can also take advantage of agencies assisting with internships abroad, or they can find their internship themselves.
