**Erasmus+**

# BLENDING INTENSIVE PROGRAMME (BIP) FOR THE WINTER SEMESTER 2023/24

Students are offered a Blended Intensive Program called „**Startup simulation game**“. The project will involve about 30 students from different universities across Europe. In international teams they will go through an educational course centered around a simulation game from **TopSim** that simulates the environment of a start-up company. During the game, students will have to make a series of decisions that will affect the company's management. At the same time, they will compete for market position with other student teams that form a fictitious competitive environment.

The BIP is divided into two parts. The first part consists of **on-line collaborations from 6 November to 30 November 2023**.

This will be followed by a **one-week mobility (4 December - 8 December 2023) to the Dutch city of Groningen**, specifically to **Hanze University of Applied Sciences**. This week-long mobility will be covered by an Erasmus grant, so students will have their travel, accommodation and food paid for. And what else, the course is worth **6 ECTS credits**.

## INTERNSHIPS ABROAD

Students can apply for ERASMUS+ internships at any time during the academic year once they have secured their placement with the target organisation. The student must know the basic details of the host institution, the supervisor and/or mentor, the internship date, the detailed internship programme, the financial overview, the insurance and the form of recognition of the internship at SU SBA. The application for internships will be active throughout the year and students should consult their

intentions with the SU SBA coordinator on an ongoing basis: **unuckova@opf.slu.cz** or in person at the **A302** office.

Students can choose their internship destination in any EU Member State. They can use the website **www.erasmusintern.org**, where Erasmus+ internships are available throughout the EU. They can also use an agency providing internships abroad or find their internship on their own.

## CONDITIONS

Applications for study stays abroad are open to students of all degrees (Bachelor, Master, PhD) and forms of study (full-time and combined) studying in an accredited study programme at SU SBA who successfully pass the selection procedure. Students can go abroad as early as in the 1st year of their bachelor studies.

### Selection process

- will take place in the form of an interview on **25 October 2023 from 10:00 a.m. in room A309**
- applicants will receive the exact schedule for the interview by e-mail

In the online form (application for a study stay abroad), it is necessary to upload:

- structured CV in English
- motivation letter in English in the size of 1 A4 (the letter will contain the justification for choosing the partner university and the selected subjects or program.)

## APPLICATION

**go.slu.cz/erasmusapplication**

**Submit your application by  
22 October 2023 at the latest**

**Mobility workshops will take  
place on October 12 from 10:00  
in the foyer of the faculty.  
In case of questions, contact  
us at: unuckova@opf.slu.cz  
or matkova@opf.slu.cz**
