3 | OTHER PRACTICAL INFORMATION

ACCOMMODATION AND UNIVERSITY FACILITIES

Students can rent our double rooms that are fully equipped with furniture, bathroom, pillow and blanket (bed sheets are also available and can be regularly changed by the students for no extra charge). The shared kitchen, equipped with a microwave oven and a cooker, is located on each floor. All university premises are fully covered with Eduroam wi-fi network free of charge for all students. For more information on student accommodation and sports facilities in Karvina please see the [website](#) or visit a [3D tour](#).

VISA INFORMATION

Students from non-EU countries have to turn to the local [Czech embassy or consulate](#) and apply for a long-term student visa for a stay over 90 days (D type). Please note, that the whole procedure requires some paperwork and can take up to 60 days, so it is recommended to apply for the visa well in advance. The students should always consult their local Czech embassy or consulate or check the website of the [Ministry of Interior of the Czech Republic](#) for the latest information regarding visa requirements. All documents shall be submitted in original paper form. Please note that some documents (e.g. the abstract from the Register of Criminal Records) must be translated into the Czech language by a translator with an official rubber stamp. Our university will ship a letter of acceptance and a confirmation of accommodation to the students or partner university in original paper form by post. We will also provide the students with [guidance on a visa process](#), if needed.

HEALTH INSURANCE

All non-EU citizens who intend to stay in Czechia for more than 90 days are required to purchase comprehensive health insurance coverage. Prospective students will be asked to submit a proof of Czech health insurance when they apply for visa. The coverage limit is minimum 60,000 EUR and the insurance must be purchased for the entire period of stay. You should conclude your travel medical insurance in the scope of comprehensive healthcare as required by the Act on the Residence of Foreign Nationals with any insurance company authorised to provide it in the Czech Republic. Please read more on the medical insurance [here](#) or on [our website](#).

BUDDY PROGRAM

Thanks to our “buddy” program, the international students get assistance from our local students who help the newcomers with adaptation to the new environment and the campus. A buddy picks the student at the train station in Karviná, explains how the public transportation works, helps the student with check-in in the dorms and gives him / her some tips on where to go and what to see in the first days. Buddies stay in touch, organize trips and social activities for the international students during the whole semester. Each semester a new incoming foreign student is assigned a buddy from SU SBA.
