INTERNSHIPS

Students can apply an internship at any time during the academic year after they arranged their internship with the target organization. The student must know the basic information about the receiving institution, the supervisor and/or the mentor, the date of the internship, a detailed program of the internship, the financial overview, insurance and the form of recognition of the internship at SU SBA. The application for internships will be active throughout the academic year and students will consult their plans on an ongoing basis with the International Relations Office coordinator matkova@opf.slu.cz.

Students can choose the destination of their internship in any EU Member State. They can use the website www.erasmusintern.org, where the offer of internships within the Erasmus+ program is published. They can also take advantage of agencies assisting with internships abroad, or they can find their internship themselves

CONDITIONS

Students of all study forms and level (B, M, PHD) of study enrolled at SU SBA and the recruitment procedure successfully, can take part in a scholarship stay abroad. The study stay or internship can be realized in the total length of max. 12 months for each level of study.

The following attachments are necessary to include with the electronic application
