EXCURSIONS

MONDAY /13:00-19:00/ MARLENKA & CIESZYN

An excursion to Frýdek-Místek to the Marlenka factory where you can try out different types of this special honey cake along with a cup of coffee! On the way back, we will make a stop at Polish Těšín (Cieszyn) and visit the Huntsmen Chateau and St Nicolas and St Wenceslas rotunda from where we will enjoy a great view of the city! DEPARTURE BY BUS FROM THE UNIVERSITY SQUARE.

TUESDAY /13:05-14:40/ CHURCH & CHATEAU FRYŠTÁT

The oldest relic of the region of Karvina is a Gothic Roman Catholic Church of the Exaltation of the Holy Cross built during the beginning of the 14th century. One of the most secret ways how to get to the neighboring chateau is under the ground. The empirical Chateau Fryštát achieved its current form due to the family of Larisch-Mönnich and is the pride of Karviná and the entire area. DEPARTURE FROM THE UNIVERSITY FOYER. BOTH SIGHTS ARE IN A WALKING DISTANCE FROM THE FACULTY.

WEDNESDAY /9:45-11:30/ CZECH PISA!

/14:40-17:30/ PLANETARIUM OSTRAVA

An excursion to see the leaning Church of St Peter of Alcantara. The ground where this church stands has sunk by 37 meters due to the collapse of mine tunnels under the site. Now the church is leaning 6.8 degrees to the south – almost as much as the world-famous Leaning Tower of Pisa! And then, from the Earth to Space. Do you think it is a melody of the far future? Please, let us change that opinion during the excursion to the planetarium in Ostrava! DEPARTURE BY BUS FROM THE UNIVERSITY SQUARE.

THURSDAY /16:00-17:00/ BUSINESS GATE

A short walk to the Business Gate, a multifunctional co-working center, which was created also thanks to the support of SU SBA. The main idea of this project was to establish a connection and start cooperation between the students and the real business environment. MEETING IN THE UNIVERSITY FOYER.
