Social Evening in „Lodičky“: Wine & Beer Tasting and Networking

A great opportunity to get to know your colleagues through a typical Czech activity – beer and wine tasting – in the beautiful Lodičky area, located in a large park by the lake. There will also be a classic Czech campfire with music, so don't miss out! It is recommended to wear comfortable clothes and to take into account the weather conditions. Everyone is warmly welcome. Meeting point on the university square.

POHO 2030: Post-Mining Landscape Revival Hub

The POHO Park project aims to create a dignified center of the post-mining landscape, providing facilities not only for visitors to the Gabriela Mine, but also for those coming to the nearby Church of St. Peter of Alcantara. It is a strategic project of the Moravian-Silesian Region. Join us for a guided tour around the area and discover the vision for its transformation. Departure by bus from the university square.
