## KARVINÁ MINI-TOUR / 13:00 – 15:00

Karviná used to be an industrial town for many decades, famous for its coal mining. Since then, Karviná has been undergoing a progressive restructuring, nowadays focusing on other activities, such as spa tourism. Our guide will take you to Masaryk town square, Chateau Fryštát and the neighbouring castle park. Meeting point on the university square.

## GOLF LESSON for BEGINNERS / 15:30 – 18:00

Kick off the week in style! Come join us on Monday afternoon for a golf lesson in Golf Resort Lipiny, an eighteen-hole golf course just outside of Karviná. An introductory golf lesson will be followed by a game under the guidance of a coach. Departure by bus from the university square.

## MARLENKA FACTORY / 14:45 – 17:30

On Wednesday, we will take you to the Marlenka factory in Frýdek-Místek where you can try out different types of the traditional honey cake "Marlenka" along with a cup of coffee! Departure by bus from the university square.
