Travel insurance for students of Silesian University in Opava

Who is the insurance for

- students who travel abroad for short-term and long-term study stays (Erasmus, CEEPUS, etc.)

What are the main benefits

- insurance tailored for students
- optimal coverage ranging from medical insurance (incl. COVID-19) up to liability insurance
 - when you fall ill with COVID-19 (i.e. a positive test), medical expenses, hospitalisation and quarantine are covered
 - in case of preventive quarantine (i.e. a negative test) substitute accommodation and transport back to CR are covered
- saves time and makes it easier for you to get the right insurance
- mobile app with your insurance policy
- guarantees an excellent care abroad whenever you need it

What to do to arrange the insurance

- fill out the **certificate of travel insurance** (available on the school intranet) and pay the premium as instructed in the certificate
- send the payment document and completed certificate to: spravapojisteni@ERVpojistovna.cz
- only the **certificate confirmed by us** and sent back to you will be the **document of your policy**
- the insurance will be governed by Policy Conditions **PP-BTI-2203**, which you should read before travelling abroad
- do not forget to download the **MojeEvropská mobile app** and register your policy

What to do in case of trouble abroad

- in any life-threatening situation contact the local emergency services
- in any other emergency situations contact our Euro-Center assistance services
- we recommend you to pay the cost of minor treatment in cash, we will reimburse your bills after your return home
- please report your claims online via ERVpojistovna.cz/hlaseni-skod
